

# The New Web of Science ResearcherID

**Kullanım Klavuzu**

# Yeni Science ResearcherID Web Sitesi-Publons

## Neden üye olmalıyız?

- Publons (<http://www.researcherid.com>) etki değeri en yüksek dergileri indeksler.
- Publons, yayınlarınızı otomatik olarak günceller.
- Birden fazla araştırma kimliğini birleştirir ve birden fazla kaynaktan gelen tüm yayınları ve kazanımları içeren tek noktadan ücretsiz tek tek web sayfası listesi sunar.
- Publons, manuel güncellemeleri en aza indirirken araştırmacıların ortak çalışanlara yayınlarını talep etmelerini ve sergilemelerini sağlar.
- Publons ile aynı zamanda Web of Science'ta üniversite bağlantısı olmadan arama yapma şansınız da oluyor.
- Yayınlarınızı Web of Science'da aradıktan sonra, yayınlarınızı önce Publons'a, sonra da Publons üzerinden ORCID'e gönderebilirsiniz.

## Publons kaydınızı oluşturun

### 1.

## Welcome to the new Web of Science ResearcherID

For researchers

For institutions

Web of Science ResearcherID is now on Publons.

Publons is the new environment where you can benefit from the improved Web of Science ResearcherID, add your publications, track your citations, and manage your Web of Science record.

Log in with your usual details to see your ResearcherID profile on Publons.

If you have any questions, please see the [ResearcherID-Publons FAQs](#) or contact [researcherid@publons.com](mailto:researcherid@publons.com).

Kayıt için tıklayınız.

## 2. Kayıt seçenekleriniz

The image shows a registration form for Publons. The form is titled "Register to continue with Publons". It has two main sections: "Email address" and "Already a member?". The "Email address" section includes fields for "Email address", "Password", "Re-enter password", "First name", and "Last name". The "Already a member?" section has a "Sign in" button. Below the form, there are three social media icons: Google, ORCID, and LinkedIn. The form also includes a "Register" button and a "or register using" section. The form is annotated with several orange boxes containing text in Turkish:

- "Bilgilerinizi girin veya.." (Enter your information or..)
- "ORCID ile giriş yapın." (Log in with ORCID.)
- "Böylece iki hesabı senkronize etmiş olacaksınız" (Thus you will have synchronized two accounts)
- "Google hesabınız ile giriş yapabilirsiniz" (You can log in with your Google account)
- "Linkedin hesabınız ile giriş yapabilirsiniz" (You can log in with your LinkedIn account)

The form also includes a "Register" button and a "or register using" section with icons for Google, ORCID, and LinkedIn. Below the form, there is a small text: "By registering, you acknowledge and agree to our Terms of Use and Privacy Statement." and a link: "Need help? Contact Customer Care."

- Buradan Publons kaydınızı yaptıktan sonra Web of Science'da var olan herhangi bir yayını "Claim on Publons-track citation" yaparak Publons'a ekler. Bu eklemenin ardından 2 gün sonra araştırmacının Publons hesabının sağ köşesinde "Web of Science ResearcherID" numarası görünecektir. "Web of Science ResearcherID" Web of Science, InCites, Converis, Publons ve diğer çözümler ile senkronizedir.

## Yayınlarmı Publons'a nasıl eklerim?

1.

The image shows the Publons Private Dashboard for a user named MESLIHA GEZEN. The dashboard is titled "Private dashboard - My publications" and includes a sidebar with navigation options: "Me", "Dashboard summary", "Public profile", "Export verified record", "My records", "Publications", "Peer reviews", "Editor records", and "Awards". The main content area features a tip: "Tip: See how your records look on your profile" and a button labeled "Yayınlar" (Publications). Below this, there is a button labeled "Yayınları içe aktar" (Import Publications) and a button labeled "IMPORT PUBLICATIONS". A dropdown menu is open on the right side, showing options: "Private Dashboard", "View Profile", "Export Verified Record", "Notifications (0 unseen / 0 unread)", "Settings", and "Log out". An orange box labeled "Özel Kontrol Paneli" (Private Control Panel) points to the "Private Dashboard" option in the dropdown menu.
