Step-by-Step Erasmus+ KA171 Project Application:

Applications for the KA171 Project to Turkish National Agency are made through the application platform. The application process generally consists of three stages: Preparation, application and results.

1. Preparation Phase (Project Foundations)

This phase is the most crucial step of the project and determines its chances of success. Defining Strategic Objectives: Clarify how the project will ensure academic quality, geographical balance and contribute to EU foreign policy objectives. Quality assurance is a critical evaluation criterion in KA171 projects.

2. Application Stage (System and Form Completion)

Applications are submitted electronically via the relevant European Commission platform by ATAUNI. Completion of the Application Form (Both from Partner University & ATAUNI)

3. Evaluation and Outcome

National Agency Evaluation: The submitted project first undergoes an English Check, followed by a Quality Assessment (it must achieve the minimum score). An English Check is mandatory. If the project is accepted, a Grant Agreement is signed. The grant agreement specifies the conditions and number of mobility agreements.
