

NOUN CLAUSES

Dialogue 1

Context: Asking for and giving directions

Man 1: Excuse me, can you tell me where the nearest post office is?

Man 2: Sure! I can help you with that. Do you know how to get to the main square from here?

Man 1: Yes, I do. I just need to know which direction to take from there.

Man 2: Once you reach the main square, you'll see a large fountain in the center. Just go straight ahead, past the fountain.

Man 1: Got it. And after the fountain, which street should I turn onto?

Man 2: You'll need to turn right onto Park Avenue. It's a busy street with shops and restaurants.

Man 1: Okay, I'll take Park Avenue. How far is the post office from there?

Man 2: It's not too far. Keep walking on Park Avenue for about two blocks, and you'll see the post office on your left.

Man 1: Thank you for the directions. Can you also tell me how long it usually takes to get there on foot?

Man 2: It should take you around 10 minutes to walk from the main square to the post office.

Man 1: That's not too bad. I appreciate your help.

Man 2: You're welcome! Is there anything else you need assistance with?

Man 1: Actually, yes. I'm also looking for the nearest supermarket. Do you happen to know where it is?

Man 2: Of course! From the post office, you'll need to head back towards the main square.

Man 1: Alright. Once I reach the square, which direction should I go?

Man 2: You'll want to turn left onto Market Street. The supermarket is about three blocks down on the right side.

Man 1: Perfect. I'll turn left onto Market Street and look for the supermarket on the right. Thanks for your help.

Man 2: No problem! I'm glad I could assist you. If you have any more questions, feel free to ask.

Man 1: Thank you once again. You've been very helpful. I'll follow your directions and hopefully find everything I need.

Man 2: You're welcome! I hope you find the post office and supermarket without any trouble.
Have a great day!

Man 1: Thank you, you too! Take care!

Context: Travel plans

Jessy: Hey, I'm so excited about our upcoming trip! Do you know how to get from the airport to our hotel once we arrive?

Janesh: Yes, I've looked it up. We'll need to take a taxi or public transportation. Have you decided which option you prefer?

Jessy: I think taking a taxi would be more convenient, especially with our luggage. Can you find out how much it usually costs?

Janesh: Sure, I'll check. Do you know which terminal our flight will arrive at?

Jessy: Yes, it's Terminal 2. I can find that information on our flight confirmation.

Janesh: Great. Once we're at Terminal 2, we need to head towards the taxi stand. It's usually located just outside the arrivals area.

Jessy: Got it. And do you know approximately how long the taxi ride will take to reach our hotel?

Janesh: It depends on traffic, but based on the distance, it should take around 30 minutes to an hour.

Jessy: That's good to know. I'm glad we're not staying too far from the airport.

Janesh: Yes, our hotel is in the city center, so it's quite convenient.

Jessy: Speaking of our hotel, have you made a reservation?

Janesh: Yes, I have. We're staying at the Grand Hotel, which is a popular choice for tourists.

Jessy: That sounds great. I've heard good things about it. Can you find out if they offer airport shuttle service?

Janesh: Sure, I'll check their website. If they do, it will save us the hassle of finding transportation.

Jessy: Exactly. It would be more convenient, especially after a long flight.

Janesh: I agree. It's always nice to have a smooth transition from the airport to the hotel.

Jessy: By the way, do you know any popular attractions near our hotel?

Janesh: Yes, there are several landmarks and museums within walking distance. We can explore the area easily.

Jessy: That's fantastic. I'm excited to explore the city and visit those attractions.

Janesh: Me too! We should make a list of places we want to see and create an itinerary.

Jessy: Definitely. It would help us make the most of our time there.

Janesh: I'll start researching and make a list of must-visit places.

Jessy: Sounds like a plan. Let's make sure to include some local restaurants too, to try the traditional cuisine.

Janesh: Absolutely! Trying the local food is a must when traveling.

Jessy: I can't wait for our trip. It's going to be an amazing experience!

Janesh: I feel the same way.
